Address:

**Fribourg**

Price:

**990.00 CHF**

On October 30 there will be a vacant room in the flat and, as you may know, the new contract (between me and the new roommate) should be signed 3 months before the end of current contract, means the 1st of August 2020.

Located within 8 minutes from train station and 5 minutes from supermarket, this flat shares 96 m2 neat space in the 2nd floor, fully furnished and completely proper for two roommates. The room area, which I'm offering for rent is more than 12 m2 with view of a big planted courtyard. The flat shares an equipped kitchen with dish washer, 1 bathroom with bathtub and washing machine + dryer, 2 nice terraces, wifi and plenty of shared space to eat, chill and gather (Please see the pictures). The large planted courtyard, a large cellar, elevator, indoor parking for car and bike are among the building facilities. Here I live since October 2019 and found it really nice, bright, comfortable and clean. This building provides visually and thermally comfortable space, excellent insulation, high-quality finishing and minimalist design.

Summary:

- 12 m2 room
- Monthly rent for the offered room including all costs: CHF 990.-
- 2nd floor
- Passage du Cardinal 4, Fribourg, Switzerland
